00:24:18 bina lefkovitz-: here is what is on SCOE's website The Sacramento County Office of Education (SCOE) is one of 58 county offices of education in California. Approximately 780 regular and more than 815 temporary and substitute SCOE staff work year-round providing services that complement and supplement those offered by public school districts in Sacramento County. SCOE provides technical assistance, curriculum and instructional support, staff development, legal and financial advice, and oversight to Sacramento County school districts.
SCOE plays a leadership role in the delivery of quality education to the students in Sacramento County. SCOE directly educates more than 30,000 children and adults—including thousands of district teachers who attend training sessions and workshops each year. SCOE also provides support services to more than 255,000 students in 13 school districts. Many SCOE programs and services are available to schools, districts, and other county offices of education within the Capital Service Region.
