- **Sac Co READS Listening Sessions:**
- We are excited to share that we will be holding two virtual Coffee and Community listening sessions on June 25 and June 27, 2024 from 10:00 am - 11:00 am. We invite you to join us with your morning cup of coffee on either June 25 or June 27 to chat about how we can organize our support for community based organizations that are providing literacy tutoring in the Sacramento area as part of the [Sacramento County READS initiative](#). The goal of these listening sessions will be to listen to your needs and input in order to best determine how SCOEC can partner in this space.
